Dear Members of Debtors Anonymous,

It's our 32<sup>nd</sup> birthday! D.A. was founded by John Henderson in April, 1976, and this is our opportunity to give back. We of the Resource Development Committee are excited about *World Service Month*! During the month of April, groups and intergroups worldwide will be holding special events to honor D.A.'s thirty-second birthday and to support D.A. in carrying its message to the debtor who still suffers.

Our vision amount for this year is \$32,000 to celebrate 32 years! (“**\$32K for 32 Years**”)  
Please consider serving the fellowship by making a personal contribution and/or helping to plan a special *World Service Month* event in your area. We suggest that each D.A. member contribute at least \$10.00 to help achieve our goal for the month. Prosperous members are encouraged to give more, however, no donation is too small. (Remember that individuals may contribute up to \$5,000 each year.)

Meeting by meeting, member by member, D.A. fulfills its primary purpose to help the still-suffering debtor. As D.A. grows, so do its financial needs. We look forward to receiving the support of all D.A. members and to serving the fellowship as it continues to grow.

Please pass around a separate envelope for contributions to the General Service Office and send it by May 30, 2008, so we can designate this contribution correctly to *World Service Month*.

Please make your check payable to DA-GSB and write “World Service Month” in the memo field.

In gratitude and service,

The 2007-08 Resource Development Committee,  
The General Service Office,  
and the Trustees of the General Service Board  
of Debtors Anonymous
