Introduction and Instructions

The World Service Conference

The World Service Conference is the annual *business* meeting of Debtors Anonymous. It is where General Service Representatives (GSRs), Intergroup Service Representatives (ISRs) and the General Service Board (GSB) gather to review the state of the D.A. Traditions reminders

1. This is DA's annual business conference and we are here to conduct the business of DA. The promotion or sale of products or services by conference attendees should not be conducted at the World Service Conference.
2. Tradition 11 states "*Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.*" This has been extended to all other media. Hence we suggest that members use first names only and no personal email addresses on documents that are circulated at the World Service Conference (except committee rosters) as sometimes these documents have been posted on the Internet.

This registration packet contains everything you need to register for the Conference. It also contains information that will help your group prepare to send a representative, including a spending plan to help you raise the necessary funds.

The Intergroup Caucus is composed primarily of ISRs but also includes GSRs and Trustees who have experience with their local intergroups. Would Your Area Like to Host the 27TH D.A. World Service Conference in 2013

At each WSC, the Conference Committee brings before the Convocation a motion to select a site for a future year conference. Currently, site selection is occurring three years in advance. The Detroit, Michigan area has been selected for 2011. Seattle, Washington has been selected for 2012. At this year's WSC, the Conference Committee will be accepting and evaluating proposals to host the 2013 World Service Conference.

All areas are encouraged to consider hosting a WSC. It is suggested that smaller areas, or those areas with few meetings, work with other meetings in their region to build a strong host committee. A list of prior host committee chairpersons and samples of previous proposals can be obtained from the Conference Committee.

To assist areas interested in hosting a WSC, the following guidelines are suggested:

1. The proposed city/area should hold a group conscience meeting of all participating area groups and individual members who are willing to work on the conference, in order to gain agreement to present a formal bid to host the World Service Conference. A brief written proposal is then developed. A GSR or ISR from your area needs to attend the 2010 WSC and present the written proposal to the Conference Committee.
2. It is recommended that the proposal include:
 - a. Name of proposed host city/area (City, intergroup, local groups, etc.)
 - b. The WSC is traditionally held in mid-August.
 - c. Possible sites (hotels, retreat facilities, convention centers, etc).
 - d. Site Proposals including bids (for cost comparison).
 - e. Names, contact information, and experience of proposed Host Committee members (i.e., years in program, prior DA service, prior WSC participation, etc.)
 - f. Prior experience of proposed host city/area in hosting conventions, workshops, fellowship days, etc.
 - g. Details of proposed area, including possible conference sites, airport proximity, general cost, seasonal considerations, etc.
 - h. Any other information that would help the Conference Committee understand the area's capabilities, willingness, etc.
3. At least one person from the bidding Host Committee must attend the 2010 WSC and present the written proposal to the Conference Committee. Also, if your bid is selected, your host committee chairperson must attend the WSC the year immediately prior to the WSC you'll be hosting and must serve on the Conference Committee for that conference year.
4. Once a host city/area is selected, a General Service Board (GSB) trustee will be assigned to the Host Committee to serve as a liaison between the Host Committee and the GSB.
5. The General Service Board (GSB) will:
 - a. Sign any contracts
 - b. Approve the conference income and spending plan
 - c. Approve the registration packet
 - d. Approve flyers and fundraising

Other important considerations

- Approximately 100 -130 DA members attend the WSC each year. A majority of the attendees are from the United States.
- Eleven breakout rooms will be needed: Eight for committee and caucus meetings, one for the GSB, one for hospitality room, and one for the technology room.
- One large room set up "classroom style" will be needed for the general session meetings and the convocation.
- Accommodations and meals for 100-130 people, for four days and nights, will be needed.
- A fellowship day is traditionally held in conjunction with the WSC.
- Approximately one year prior to the conference, the GSB provides the Host Committee with seed money.

Issues for the D.A. World Service Conference

The primary function of the D.A. World Service Conference is to address the concerns of D.A. groups that affect D.A. as a whole. Your issues may be added to the agenda items of the conference committees. Below, please list any items you would like added to the agenda. These items will be forwarded to the appropriate committee or caucus for their review.
